

## CM-P30

Handles labels and receipts Our CMP-30II provides mobile printing options for receipts and labels up to 3 inches wide. The CMP-30II shares the same advanced Bluetooth and WiFi technology and tough construction of the smaller CMP-20II mobile printer. This ensures quick and easy printing, with drop-in paper loading and paper out indicators, simple feed paths to eliminate the risk of jamming, and an integral tear bar to cut paper to the required length. • High capacity 3-inch diameter media roll • Long life Lithium Ion batteries • Bluetooth 4.2 • 2.4 and 5.0 Ghz Wireless LAN
