Description

Dolphin 99EX Mobile Computer Features and Benefits

Reduces total cost of ownership by providing a turnkey remote device management solution that easily manages and tracks usage of installed devices

Superior Durability: Incorporates an IP67-rated design that withstands multiple 6 feet drops to concrete and 2,000 1 meter tumbles, resulting in a lower total cost of ownership and decreased downtime for mobile professionals

Shift-PLUS™ Power Management: Enhances productivity by powering real-time wireless and multi-media applications continuously for a full shift, eliminating the need for employees to carry spare batteries or chargers

Adaptus® Imaging Technology 6.0: Enables multi-functional data capture by providing fast scanning of linear and 2D bar codes with excellent motion tolerance, as well as digital image and electronic signature capture

Fast and Reliable Wireless Connectivity: Features leading wireless technology, including a software-definable radio that allows on-the-fly

switching between GSM and CDMA networks, as well as 802.11n Wi-Fi, enabling faster and more reliable connections, and lower device provisioning and deployment costs

Optimal Combination of Performance and Usability: Improves ease of use and worker efficiency with a large, outdoor-viewable screen, multiple keypad options, a super fast CPU and smart sensors

Optional Remote MasterMind® Software Package: Extends mobile workforce capabilities and reduces total cost of ownership by providing a turnkey remote device management solution

Optional Service Made Simple™ Service Plans: Offers comprehensive, hassle-free protection on the device investment for up to five years after purchase
